

We are implementing the following cancellation policy (similar to State Parks) -

- If a reservation is cancelled more than a month from the campout date, a full refund will be given.
- If a reservation is cancelled from 3 days to a month prior to the campout date, a \$ 10 cancellation fee will be deducted from their refund.
- If a reservation is cancelled 1 to 2 days prior to the campout date, a full night's reservation fee will be deducted from their refund. In other words, if they cancel that soon and have 2 nights reserved, they will get one night back. If they have 1 night reserved and cancel that soon, no refund.
